3rd Grade Utah Science Standards - Welcome | EQUELLA

for many of us, then go ahead and dump that image of science It's useless because it isn't you Instead, picture yourself as a maker and doer of science The fact is, we need scientists and citizens like you, whoever you are, because we need all of the ideas, perspectives, and creative thinkers This includes you Scientists wander in the

[Document subtitle]

Why science? Many students equate science to learning vocabulary terms, labeling pictures, and memorizing facts Science by nature is much more inclusive and loosely defined Have you ever asked yourself questions about your surroundings and wondered how or why they are happening? This is science Science works best when driven by curiosity and
